EMPRESA

Fundada há 13 anos, está sediada na cidade de Braga, onde se encontra a maior concentração da indústria produtora e de novas tecnologias de Portugal.

A W7 apoia o seu espírito jovem e inovador sobre a experiência e know-how das Torneiras Roriz, fabricante de torneiras há mais de 40 anos, parceiro exclusivo de todos os produtos comercializados pela W7.

A W7 está totalmente concentrada e orientada, num serviço de qualidade, preços competitivos, conforto, eficiência e inovação compõem o compromisso fundamental da nossa marca.

A missão da W7 é garantir que cada produto é perfeito para as necessidades de cada cliente. Somos uma empresa comprometida não só com os nossos clientes mas também com o mercado e o meio ambiente.

EMPRESA

Creada hace 13 años, W7 se ubica en la ciudad de Braga, donde se sitúa la más grande concentración de industria de producción y de las nuevas tecnologías en Portugal.

W7 apoya su espíritu joven e innovador en la experiencia y conocimiento de la Torneiras Roriz, fabricante de grifos hace más de 40 años, socia exclusiva de todos los productos vendidos por W7.

Aunque solo exista hace 10 años, W7 ya es una referencia en el mercado, asumiendo un compromiso serio de satisfacción con sus clientes.

W7 está totalmente concentrada y dirigida tanto para sus clientes como para el mercado.

Servicio, calidad, precios competitivos, comodidad, eficiencia e innovación constituyen el compromiso fundamental de nuestra marca.

ENTREPRISE

Fondée il y a 13 ans, l'entreprise W7 a son siège dans la ville de Braga. Avec la plus forte concentration d'industrie manufacturière et de nouvelles technologies.

W2007 soutient son jeune et innovant esprit sur l'expérience et le savoir-faire de Torneiras Roriz, fabricant de robinets il y a plus de 40 ans, partenaire exclusif de tous les produits commercialisés par W7. Bien que présente il y a 10 ans sur le marché, W7 est déjà une référence sur le marché en prenant un engagement sérieux envers la satisfaction de ses clients. W7 est pleinement concentrée et dirigée vers leurs clientes et vers le marché.

Le service, la qualité, le prix concurrentiel, le confort, l'efficacité et l'innovation constituent l'engagement fondamental de notre marque.

COMPANY

W7 is a 100% Portuguese brand, based in Braga, a city where you can find the largest concentration of production industry and new technologies in Portugal.

Holding hands with Torneiras Roriz, a faucets manufacturer for over 40 years and the exclusive partner of all products sold by W7, the young brand asserts itself as a reference in the market, making a serious commitment to those who daily trust their services.

Service, quality, comfort, efficiency and innovation are the pillars that guide our brand! We are waiting for you, with a personalized service, prepared to show you the best options for all your projects.

PRODUTO

Design e funcionalidade

A W2007 proporciona uma oferta equilibrada entre design, funcionalidade e preço. A nossa gama de artigos, cuja base principal são as torneiras, desenvolve-se nas aplicações destinadas à casa de banho e à cozinha, passando também por artigos especiais para espaços públicos ou adaptados a necessidades particulares.

Todos os nossos produtos tem alta qualidade, resultado da parceria exclusiva com a Torneiras Roriz, que garante os mais elevados padrões, controlando todo o processo de fabricação nas suas instalações desde que a ideia é concebida até que se torna realidade.

As nossas coleções refletem uma ampla oferta de estilo e máxima inovação, facilitando encontrar uma solução para cada projeto.

PRODUCTO

Diseño y funcionalidad

W2007 proporciona una oferta equilibrada de diseño, funcionalidad y precio. Nuestra gama de artículos, cuya base principal son los grifos, se dirige principalmente a aplicaciones para baños y cocinas, pero también tenemos artículos especiales para espacios públicos o adaptados a necesidades particulares.

Todos nuestros productos tienen una alta calidad, resultado de la asociación con la Torneiras Roriz, que garantiza los más altos estándares, controlando todo el proceso de fabricación en sus instalaciones desde la idea hasta su realización.

Nuestras colecciones reflejan una amplia oferta de estilo e la máxima innovación, lo que facilita encontrar una solución para cada proyecto.

PRODUIT

Design et fonctionnalité

W2007 offre une gamme équilibrée entre design, fonctionnalité et prix. Notre gamme d'articles, dont la base principale sont les robinets, se développe dans les applications destinées à la salle de bain, cuisines et comprend également des articles spéciaux pour les espaces publics ou adaptés aux besoins particuliers.

Tous nos produits ont de haute qualité, résultat d'un partenariat exclusif avec Torneiras Roriz qui assure les plus hauts standards, en contrôlant l'intégralité du procédé de fabrication dans ses installations depuis que l'idée est conçue jusqu'au moment que l'idée devient réalité.

Nos collections reflètent une grande diversité de styles et le maximum d'innovation afin de faciliter la recherche d'une solution pour chaque projet.

PRODUCT

Design and functionality

The company W7 offers a balanced offering of design, functionality and price. Our range of products, which main base are faucets, is developed for bathroom and kitchen applications, as well as special articles for public spaces or adapted to particular needs.

All our products are of the highest quality, the result of our exclusive partnership with Torneiras Roriz, which guarantees the highest standards, controlling the entire manufacturing process in our facilities, since the idea is conceived until it becomes true.

Our collections reflect a wide offer of style and maximum innovation, making it easy to find a solution for every project.

PROJETOS À MEDIDA

Oferecemos a possibilidade de criar soluções personalizadas, que respondam na perfeição às necessidades do cliente ou às especificações de um projeto.

Desde o design das peças, aos acabamentos, tudo pode ser customizado. Escolha uma cromagem especial, defina a altura da torneira ou o comprimento da bica. As possibilidades são infinitas.

O resultado final são peças únicas e totalmente adaptadas: tanto a nível da funcionalidade, como do estilo.

PROYECTOS A MEDIDA

Ofrecemos la posibilidad de crear soluciones personalizadas que atienden plenamente las necesidades del cliente o las especificaciones de un proyecto.

Desde el diseño de las piezas a los acabados, todo puede ser personalizado. Elija un cromado especial, defina la altura del grifo o la largura del caño. Las posibilidades son infinitas.

El resultado final son piezas únicas y totalmente adaptadas, tanto a nivel de funcionalidad como de estilo.

TAILOR-MADE PROJECTS

At W7 we offer the possibility to create solutions tailored perfectly to customer requirements or specifications of a project.

From the design of the pieces, to the finishes, everything can be customized. Choose special chrome plating, set tap height or spout length. The possibilities are endless.

The end results are unique pieces, totally adapted: both in terms of functionality, as of style.

PROJECTS SUR MESURE

W7 offre la possibilité de solutions personnalisées pour les clients les plus exigeants. Parce que nous savons que c'est la seule façon d'atteindre un résultat qui est totalement parfait, à la fois en termes d'esthétique et de fonctionnalité.

C'est pour cela qu'en plus de fournir d'excellents produits qui ont été créés en collaboration avec des designers de renom, que le département "PRO" W7 offre également la possibilité d'inclure des finitions spéciales, customiser les logos, changer la hauteur du robinet ou la longueur du bec.

Tout peut être adapté pour répondre aux exigences des clients.

ECO TOUCH

Com uma tecnologia sustentável, permite uma redução do consumo de água até 50%.

Con tecnología sostenible, el consumo de agua puede reducirse hasta un 50%.

With sustainable technology, water consumption can be reduced up to 50%.

Avec une technologie durable, la consommation d'eau peut être réduite jusqu'à 50%.

ECO FLOW

Diminuição dos desperdícios de água, com a mesma sensação de conforto de um grande caudal.

Reducción del desperdicio de agua, con la misma sensación de comodidad de un gran flujo.

Reduced water wastage, with the same sense of comfort as a large flow.

Réduction du gaspillage d'eau, avec le même confort qu'un flux important.

LESS LEAD

Utilizamos componentes testados e aprovados. Os nossos materiais não transferem sabor nem elementos tóxicos para a água.

Utilizamos componentes probados y aprobados. Nuestros materiales no transfieren sabor o Elementos tóxicos para el agua.

We use tested and approved components. Our materials do not transfer flavor or Toxic elements to water.

Nous utilisons des composants testés et approuvés. Nos matériaux ne transfèrent pas la saveur ou Éléments toxiques à l'eau.

SENSOR

Sistema de ativação magnética por aproximação e temporizável.

Sistema de activación magnética por acercamiento y sintonizable.

With activation by proximity and timable.

Avec activation magnetique par rapprochement et temporisable.

ECOEFIÊNCIA

Na W7 comprometemo-nos a oferecer, não só soluções elegantes, como tecnologias sustentáveis. Desenvolvemos sistemas inovadores, orientados para minimizar o consumo de água e energia.

É esta a nossa missão: proteger o meio ambiente e zelar pela saúde pública dos nossos clientes, criando mecanismos que cumpram os padrões.

ENERGY SAVER

Permite uma redução do consumo de água até 50% e ainda garante uma diminuição de custos energéticos, tornando-as ecoeficientes.

Permite una reducción del consumo de agua de hasta un 50% y también asegura una reducción de los costos de energía, haciéndolos ecoeficientes.

It allows a reduction of water consumption up to 50% and also ensures a reduction of energy costs, making them eco-efficient.

Il permet une réduction de la consommation d'eau jusqu'à 50% et assure également une réduction des coûts énergétiques, ce qui les rend éco-efficaces.

ECOEficiencia

En W7 nos comprometemos a ofrecer no solo soluciones elegantes, como también tecnologías sostenibles. Por eso, desarrollamos sistemas innovadores, orientados para minimizar el consumo de agua y energía.

Esta es nuestra misión: proteger el medio ambiente y asegurar la salud pública de nuestros clientes creando mecanismos que cumplan con los estándares más exigentes.

ECO EFFICIENCY

At W7 we are committed to offering not only elegant solutions, but also sustainable technologies. That's why we have developed innovative systems aimed at minimizing water and energy consumption.

This is our mission: to protect the environment and to ensure the public health of our customers by creating mechanisms that meet the highest standards.

ÉCO-EFFICACITÉ

W7 s'engage à respecter l'environnement. Nos procédés de fabrication et les matières premières que nous utilisons, tous les deux sont favorables à l'environnement et sont conçus pour le préserver. Nous sommes toujours attentifs aux nouvelles exigences et aux innovations qui permettent l'optimisation maximale de la consommation de l'eau et de l'énergie.

Vous trouverez dans nos collections tous les dernières solutions existantes qui respectent les standards les plus exigeants.

INDÚSTRIA 4.0

The image features a background of aged, textured paper in shades of reddish-brown and terracotta. The paper has a mottled appearance with subtle variations in color and texture, including some faint creases and small dark spots. A white rectangular box is centered horizontally and vertically, containing the word "INSPIRATION" in a clean, black, sans-serif font. A thin white horizontal line is positioned just above the top edge of the white box.

The background features a series of light gray, curved lines that create a sense of depth and movement, resembling a stylized feather or a series of overlapping planes. A white horizontal bar is positioned across the middle of the image, containing the word "INSPIRATION" in a clean, sans-serif font.
